75 High Holborn, WC1

The building sits on the North side of High Holborn, just a short walk from Holborn Underground station. The space is comprised of the lower ground floor plus 6 uppers, first to sixth. The 1st, 3rd and 4th floors has been comprehensively refurbished to CAT A condition and the 2nd to CAT A+, which provides 28 desks, a new kitchen, 3 meeting rooms and 2 call pods. The building reception has also undergone a full refurbishment to provide a high quality, memorable arrival experience.
