# 100 Victoria Embankment

10,000 sq ft – 57,288 sq ft of office space is available on the third and fourth floors in this landmark building with river views. 100 Victoria Embankment was substantially rebuilt in 2007 behind the Grade II Listed facade and benefits from a stunning atrium. The building has excellent amenity including a deli / cafe on the ground floor of the atrium, the ability to share the ground floor meeting room suite and an auditorium. The building also offers end-of-trip facilities including bike racks, showers and locker facilities.
